

CHAMPIONS ON THE GAIN

Apparently Back in Their Old
Form.

ARE AFTER FOURTH PLACE

By Defeating Cleveland Saturday They
Cut Down Lead of Leaders—New
York Is Still Easily Leading
National League.

The Boston Champions have taken four straight games, the last being their victory over the leading Cleveland on Saturday, the score being 9 to 3. "Cy" Young, in the box for the former, showed his old-time form and held the heavy hitting Lajoie-ites safe. Hoss, who officiated for Cleveland, was wild, and his wildness contributed much to the downfall of his team. A crowd of nearly 20,000 people saw the game.

The Cleveland are still nearly 100 points better than Philadelphia and Chicago, who are tied for second place. Detroit, the fourth on the list, is only 24 points better than Boston, and the supporters of the latter team are expecting to see the teams change places in the next two weeks. Washington, New York and St. Louis are still scrapping to keep out of last position, with St. Louis as the under-dog just at the present.

The National league remains practically the same. There is no conflict for first position, New York being far away from the next aspirants.

ONLY SIX HITS.

Ruelbach Shut Out the New York Bunch
Yesterday.

Ruelbach pitched yesterday's game for the Chicago Nationals against the strong New Yorkers and shut them out by the score of 4 to 0. New York got but six hits off the "big fellow," which backed up by almost perfect support and Ruelbach's own clever fielding, didn't give the league leaders a ghost of a chance. The game was played at Chicago, before a Sunday crowd of 24,000.

THEIR EIGHTH STRAIGHT.

Graniteville Woodmen Downed South-
Enders Saturday.

Graniteville, June 12.—The Woodmen won their eighth straight victory Saturday afternoon on the local grounds by defeating the fast South-End team in a one-sided contest by a score of 12 to 3. In the ninth inning, with two men on bases, Finnigan blighted the hopes of the South-End supporters by pulling down Duncan's hot liner and executing a double out.

The visitors started off well by scoring one tally in the first and two in the second inning, but after that Comiskey of the locals settled down to business and with excellent support held the visitors from scoring during the rest of the game.

Scott pitched a good game for the visitors but received wretched support at critical times. Duncan got two of the five hits made by the visitors, while Smith and Donahue did the best stick work for the Woodmen, Smith's two-bagger in the fourth inning with bases full scoring three runs.

The Woodmen were considerably handicapped at the start by the absence of their shortstop and centerfielder, who had forgotten about the game and did not report until the fourth inning. Manager McDonald and Carl Perkins filled their respective positions and contributed the features of the game.

NEW LEAGUE IN VERMONT.

Six Teams in It, and Games Will Begin
This Week.

Chester, June 12.—At a meeting of the managers and captains of the base ball nines at South Londonderry, Weston, Peru, Jamaica, Rawsonville and Landgrove, held last week, a league was formed. L. T. Landman of South Londonderry is president, C. A. Smith of Weston vice president and F. W. Pier of Rawsonville secretary and treasurer.

A constitution was adopted and a board of arbitrators elected, comprising the managers of the six teams. The schedule committee is composed of the captains of the nines.

The opening games will be played this week.

Claims a Championship.

Newport, June 12.—The Newport academy base ball team made clear its claim to the championship of northeastern Vermont yesterday by defeating Barton academy, 6 to 2. The game was well played. Davis' pitching and three-baggers by Nelson and Prue were responsible to a great extent for the victory.

Mountain Bird Association Foot Ball
Team, One of the Strongest in
Canada, Lost on Barre
Grounds Saturday.

The Barre Rangers association foot ball team easily defeated the Mountain Birds of Montreal on the Rangers' grounds Saturday afternoon by a score of 5 to 1. There was a large crowd of spectators present. It was a slow game, the visitors being outclassed in every particular.

Their only score, made in the first half, was really a gift to them. Jackson of the Birds made a corner kick and Goal Keeper Rust of the Rangers made a jump for the ball, which hit his hand and bounded through the goal. The first half ended with the score 2 to 1, and in the last half the Rangers had everything their own way, shutting out the Birds and making three goals.

The goals for the Rangers were made by Cunningham 3, Bennett 1, Duff 1; for the Mountain Birds, Jackson 1.

NOW A MATTER OF ENDURANCE.

All Negotiations for Ending Chicago
Strike Have Ended.

Chicago, June 11.—No proposals for peace came from either side to the Chicago teamsters' strike yesterday, and for the present the contest has settled down to a matter of endurance. John V. Farwell, Jr., in whose hands the employers have placed their affairs, as far as peace negotiations are concerned, said yesterday afternoon that no overtures would be made to the teamsters at any time hereafter. The employers are willing he said to meet the men at any time, but no more proposals will be made to them. The teamsters' joint council held a short meeting yesterday, at which terms of settlement were to be considered, but nothing was done.

Secretary Sincere of the employers' association declared yesterday, that as far as doing business is concerned the strike is over. The employers have 2500 teams in service and are doing almost a normal amount of traffic.

John C. Driscoll, formerly secretary of the team owners' association, who has been anxiously sought in connection with the suits brought against President Shea of the teamsters' union by George R. Thorne, who alleges criminal libel, returned yesterday. President Shea declared that he was offered \$10,000 by Thorne, through Driscoll, to call a strike on Sears, Roebuck & Co. Driscoll denied positively yesterday that he had any knowledge of the affair. He will appear before the grand jury tomorrow.

AUTOMOBILE TAKES A PLUNGE.

Three Occupants Drowned and Two Nar-
rowly Escaped.

Chicago, June 12.—Three persons were drowned and two others narrowly escaped a like fate Saturday evening, when an automobile, in which the five were riding, plunged into the Chicago river at Chicago through the open draw of the Rush-street bridge. Those drowned were: Jerome Kurtzman, Chicago manager for a chemical company, Mrs. Jerome Kurtzman, W. A. Hartley, manager of an automobile house. The rescued were W. H. Hoops, Jr., manager for an automobile company, Mrs. Jeremiah Runyon of New York. Both Mrs. Runyon and Mr. Hoops were unconscious for half an hour after being taken from the water, but are expected to recover. The accident occurred at the north end of the bridge, where there is an upward slope of 200 feet toward the edge of the draw. This slope is so steep that it has not been thought necessary to stretch chains across the roadway, as is done at a number of other bridges where the approach is on the level.

UNDER CIVIL SERVICE.

Smaller Vermont Postoffices to Be So
Classified.

Montpelier, June 12.—Senator W. P. Dillingham is authority for the statement that the smaller postoffices have by order of the President been placed under civil service and that changes will not be made except for cause. In case complaints are made against present officials they will be investigated and if a change seems best it will be made, otherwise the recent incumbent will remain in office indefinitely. This is of especial interest all over Vermont, where a large number of postmasters have served nearly eight years, and in many towns new candidates are appearing.

For the Eight-hour Day.

Chicago, June 12.—Members of the international typographical union, whose convention in the interest of the eight-hour day for job printers is in session at Chicago, are hopeful of carrying their point, according to president James M. Lynch. It is desired that the new day shall go into effect January 1, 1906. Twenty-seven delegates from 20 unions, from seven states, are at the convention.

MOXIE

No wonder children love Moxie.
They will leave their play any time for a glass of this thirst-quenching, delicious beverage. There is nothing in the world better for them.

Moxie is the food their nerves require, and the little ones' nerves need nourishing as much as their bodies do. The fact that there is no alcohol, narcotics, poisonous drugs or chemical preservatives in Moxie makes it a safe and most desirable drink for every member of the family.

This is the reason that physicians use it in their own homes and recommend it to their patients.

POPULAR PRIEST DEAD

Fr. Donovan of Springfield Was 31 Years
Old.

Springfield, June 12.—Rev. Fr. Patrick Donovan of this place died at 9.45 Saturday morning, at the home of his mother here, after an illness of about three months.

Fr. Donovan was born in Ireland 31 years ago. Coming to this country with his parents when 2 years of age, his earlier education was obtained in the public schools of this place and at Poughkeepsie, N. Y.

He was occupied in clerical work for two years after leaving school. He then started to study for the priesthood in Baltimore, Montreal and Toronto. He was ordained at Swanton, Aug. 31, 1904, and was in charge of the parish of Enosburg Falls, until his recent illness forced him to give it up.

Fr. Donovan was a man of strong and noble character, dignified in manner, pious, and with all the requisites for his noble undertaking. He was liked and respected by all who knew him and very popular with all classes.

The funeral will be held at the church of the Maternity here Tuesday.

KNITTERS RESUME.

Bennington Mill Operatives Will Arbi-
trate Pay Question.

Bennington, June 12.—After a meeting with the general superintendent of the plant, the striking knitters in the mill of the Cooper manufacturing company resumed work Saturday pending a settlement by Pres. A. J. Cooper, who is out of town but is expected back today.

The strikers are all young men, and have no grievance except that they think they have been underpaid. Friday morning they called for more pay.

A DESERTER AGAIN.

Troublesome Private at Fort Ethan Al-
len Gives More Trouble.

Fort Ethan Allen, June 12.—Private George A. Neuman, 27th battery, F. A., a prisoner who was in the guard house for a second attempt to desert, Saturday escaped from his sentry, and 2d Lieut. W. W. Overton, 15th cavalry, with a detail of 35 mounted troops, is searching the country north of the post for him.

Neuman was sent out to work with private James Edwards, 23d battery, as his sentry Saturday morning. At 11.30 o'clock, while picking papers up near the water tower he disappeared over the high embankment. The sentry discharged five shots at him, but in the thick brush they had no effect. An alarm was raised and an armed guard sent after the fugitive, who had taken the road leading to Malletts bay.

The guard caught a glimpse of their man an hour later and attempted to surround him in the woods, but he evaded them. The guard returned to the post at 7 Saturday night and the sentry has been placed in the guard house for allowing his charge to escape.

Neuman lives in Greenfield, Mass. He joined the service and was sent to Fort Slocom, N. Y. He deserted while there, was captured and served six months in the guardhouse. Upon being released he was sent to this post for duty. He remained here two weeks when he again deserted. He was arrested at his home in Greenfield and returned to this post by officer Michael S. Sears.

MAY BE DESERTERS.

Three Men Captured in Manchester, N.
H., Saturday.

Manchester, N. H., June 12.—The Manchester police arrested three supposed deserters in a boarding house Saturday.

The men are Irving Bickford and Lawrence McDonough, who are said to have deserted from Fort Ethan Allen. With them was John J. Brock, with whose effects was a warrant showing enlistment in the U. S. cavalry in Virginia.

The police report that Bickford and McDonough came to Manchester early in April on leave of absence, and that subsequently they concealed their uniforms, put on old clothing, and went to work in the mills. Their uniforms have been recovered.

An investigation will be made as to the case of Brock.

nament With Ease.

ONE ROUND MADE IN 38

James Rhind Was Second with Net
Score of 80, and Tom Peters and
James Mackay Tied
for Third.

John Mercer was the winner of the weekly tournament of the Barre Golf club last week, and there were no dangerous rivals for the honor, the next man, James Rhind, being four points short, although turning in a good score.

Mercer's 86, 10, 76, was a very creditable performance and entitles him to the three points which go to the winner. One of his rounds was made in 38, which is about as low as the lowest thus far this year. Rhind had a score card of 92, 12, 80.

For third place there is another tie, Tom Peters, who had the lowest gross score, 84, with a handicap of one, being even with James Mackay, whose gross of 86, less a handicap of 3, gave him a net of 83.

The cards of the 26 players were as follows:

ESCAPED FORGER IS RUN TO EARTH

McCormick, Who Got Away from Jail
at Middlebury, Recaptured at Frank-
lin, N. H., Where He Was
Working as a Painter.

Franklin, N. H., June 11.—Harry McCormick, a New York young man serving a sentence for forging a check for \$116 in the Addison county jail at Middlebury, Vt., and who escaped last week, was recaptured yesterday by City Marshal Buchanan, Sheriff Murray of Grafton county and Officer Stafford of the jail, assisted by Landlord Gage of the Grafton Inn of Grafton, N. H.

McCormick was heard from as being about Lebanon several days ago, and was reported without money and doing odd jobs whenever opportunity afforded. It was finally learned that he had put in two days this week in a mill at Enfield, and when he left there Wednesday he said he was making his way to Boston.

Officer Stafford picked up Deputy Murray at Canaan Friday and together they followed the trail. At Grafton it was found that McCormick lodged Thursday night at the Grafton Inn, and Landlord Gage remembered him so well that the officers took him along to help pick out the jail-bird. They found that McCormick had walked to Danbury, six miles, Friday morning and had there taken the mail train for Franklin Falls. Yesterday morning he secured a position as a painter, and was industriously engaged in his business when Gage and the marshal drove up. He consented to go to Vermont without requisition papers.
